

THIS IS YOUR MOMENT TO HELP YOUR JEWISH COMMUNITY!

With a strong Annual Campaign, the Jewish Federation of Greater Philadelphia can be here for the community before it needs to ask: from a child going to Jewish day camp, to a family receiving food assistance, to a congregation feeling secure in its place of worship, to a person finding safety in crisis, we are here.

Make your gift before the Annual Campaign ends on Aug. 31, so we can continue to be here for you today, tomorrow and generations to come. Visit jewishphilly.org/give or call 215.832.3484.
