EDUCATION

Lehigh University

08/2022 – 05/2026

B. A. in Design, Concentration in Graphic Design, Minor in Marketing

EXPERIENCE

Power Digital - SEO and Content Marketing Intern

01/2026 – 05/2026

- Boosted client search rankings and visibility through SEO optimization using NEURONwriter, improving content scores by 24% on average.
- Created client content (blogs, landing pages, e-commerce pages, and more) based on search intent, across a wide variety of industries to drive organic traffic and conversions.
- Transformed keyword research into strategic content ideas for client websites, blogs, digital campaigns, and more to improve visibility and engagement.

Silvi Materials - Marketing Intern

05/2025 – 08/2025

- Designed branded digital assets including custom logos, reusable social media templates, social media banners, and other deliverables to strengthen visual consistency across multiple channels.
- Created a PowerPoint presentation that led to \$100,000 in corporate partnerships for Silvi's new charitable foundation.
- Collaborated with internal teams to create and execute social media videos, company events, and internal communication materials.

CoCarting - UX/UI and Graphic Design Intern

01/2025 – 05/2025

- Designed responsive landing pages, infographics, and branded content to ensure consistent and effective brand presence and user friendliness.
- Created digital content for various digital marketing campaigns for engagement growth.
- Created a "Tropic Travel" marketing campaign, led the art direction, content creation, and copywriting, boosting social media engagement.

Jewish Federation of Greater Philadelphia - Creative and Marketing Intern

06/2024 – 08/2024

- Created campaign assets across email, social media, and print mediums to foster donor support and hit fundraising goals.
- Collaborated inhouse to create print marketing, email marketing, and social media deliverables.
- Created multiple print and digital advertisements that appeared in The Jewish Exponent and on their website, reaching more than 30,000 community members.

Multiple Companies - Freelance Graphic & Web Designer

11/2024 – Present

- Built lasting relationships with local Pennsylvanian companies through consistent creative direction.
 - Designed, coded, and SEO-optimized websites for local companies, generating over 500 organic visitors within the first three months.
 - Designed social media graphics, OOH media, apparel, and other deliverables for clients.
-
